## Childrens Birthday Parties and Christenings

Does the idea of planning a pretty party for your little princess, an incredible bash for your tiny tot, a tremendous teenage disco, or even a small soirée for some cheeky children, stress you out?

Then the team here at The Ravensdene Lodge Hotel are here to help.

From castles, to character appearances, entertainers of every type, DJ's disco & dancing, followed by some finger licking food, we can work with you to design and plan the perfect children's party.

We have 2 function suites to accommodate 10 ~ 160 children

From choosing the theme, decorating the room, ordering the cake and providing the entertainment, we make sure everything arrives without fuss on the day and is exactly as you want it.

In addition we can also organise balloons, table place settings & table decorations, party bags, face painting, temporary tattoos, hair-braiding, mini bouncy castle, ball pools, discos etc.

We'll take all the stress out of planning a party for your wee one, leaving you to relax and enjoy the day.

The Harvey Suite is an ideal function room for smaller parties of up to 60 guests.

The Dene Suite is an ideal function room for parties of up to 160 guests. A large Wooden Oak Floor allows plenty of room for dancing and even a small bouncy castle!
